Opening hours during the holidays

POST in DECEMBER

December is extremely busy at PostNL, which means your mail to our laboratory and our mail to you may take longer to arrive. Our mail is sent via PostNL on the day you receive the results email. Delivery delays can be up to one to two weeks.

Website

We'll be launching a new website in early January 2026. Please take a look.

Please note: If you've placed an order, you won't automatically receive materials. You'll need to add these as an additional item to your order, or you can order them separately (please note the shipping costs).

Dear customer,

Due to the Christmas holidays, our laboratory will be closed from December 22, 2025, to January 2, 2026.

In this period no analysis will be done.
During this period you can send in (feather-) samples, these will be analysed from January 5th, 2026.

Please do NOT send blood- and/or swab samples
During the holidays.

Gendika will **NOT** have a booth at the Dierenparade Noordshow next year.

Breaking news:

As per the minister's memo, bird shows are now prohibited. This means the Dutch Championships in Hardenberg are canceled.

There will be no NK vogels event.

A colorful poster for the 'Dierenparade Noordshow' held from January 22-24 in Hardenberg. The poster features a grid of images including a rooster, a dog, a cat, a rabbit, and a bird. Text on the poster includes 'DIERENPARADE NOORDSHOW', '22 23 24 JANUARI HARDENBERG', 'GROOTSTE INDOOR KINDERBOERBEELD', '12.000 DIEREN', 'donderdag 22 jan 9u-20u', 'vrijdag 23 jan 9u-20u', 'zaterdag 24 jan 8u-16u', and 'DE GROTE PRIJZEN VAN NEDERLAND N.N.V. ORNITHOPHILIA'. Logos for 'garvo', 'vogel 2026', 'HAI', 'NBW', and 'DIEREN PARADE Noordshow' are at the bottom.

This year, the world exhibition C.O.M. 2026 will also be held nearby; in Marche-en-Famenne, Belgium. The show will open on January 16th and 17th (9am-7pm) and 18th (9am-4pm), 2026. A unique opportunity for enthusiasts to visit!
